

# Day of Independence

A SHORT FILM ON THE  
JAPANESE AMERICAN INTERNMENT

## Reply Memorandum

Yes, I would like to make a contribution towards **Day of Independence**! My fully tax-deductible donation will help fund the education of many generations to come, of the internment of 110,000 Americans of Japanese ancestry, so that this tragic yet important chapter of U.S. history shall never be repeated. It will also help to keep alive the legacy of our Issei and Nisei generations of ancestors, who sacrificed and persevered, enduring the hardships of camp with strength and courage, so that their children could live a better life in America.
